It will be necessary for you to open a Horse Racing Ireland (HRI) account (if you do not already have one) before your Point to Point Handlers application form is lodged at the Offices of the IHRB. All registration charges in relation to Point to Points, including Handlers Permits and the registration of Hunters Certificates will be debited from your HRI account. Please contact any member of the client accounts team in HRI on 045-455444 should you have any queries in this regard. Once opened, you must ensure that there are always sufficient funds in your HRI account to cover the cost of any charges as otherwise your Handlers Permit and/or Hunters Certificates will not be registered. Any payments received to the IHRB, in any format, cannot be processed and will be returned, this will result in a delay in the registration of your Point to Point Handlers Permit and/or Hunters Certificates.

Please note the following fees for the 2025/26 season:

- Point to Point Handlers Permit registration fee - **€65**
- Hunters Certificate registration fee - **€100** (inclusive of €35 – temporary insurance levy)

Once you receive an official confirmation letter from the IHRB to acknowledge your registration as a Point to Point Handler, you will receive detailed guidance regarding the Weatherbys ePassport Vaccination App. You must then download the Weatherbys ePassport Vaccination App to your mobile device and complete your registration, as all Equine flu vaccinations in relation to horses for which you are intending to register a Hunters Certificate, must be uploaded to the Weatherbys ePassport Vaccination App in advance of lodging Hunters Certificates. If you have previously registered for the Weatherbys ePassport Vaccination App you do not need to re-register.

It will be mandatory for all Handlers to supply an email address on the attached form, please ensure the email address provided is current and monitored regularly, as this will be the primary method of contact.
