

Point to Point Penalty Guidelines - 2024/25 Season

The following recommendations have been approved by the Directors of the IHRB in relation to penalties to be imposed for certain breaches and should be adhered to in the interest of consistency. In the event that the Acting Stewards deviate from the recommended penalties, a report explaining the reason for the deviation should be sent by the IHRB Senior Stewards Secretary to the Office of the IHRB at the end of the day's racing.

The Disciplinary Record circulated to the Acting Stewards at Point to Point meetings contains an individual's breaches of Point to Point Regulations for the previous 12 months.

**For the purposes of considering a riders record in relation to the use of the whip, each race is considered a singular offence. While a rider may have breached more than one part of Regulation 58 in a race, any subsequent breaches of this part of the Regulation, will be counted as their next offence.

Where a rider has breached the same Whip Regulation on 3 occasions, in addition to the above penalty guidelines, consideration should also be given to referring the rider to RACE for tuition on the correct use of the whip.
