

Permission To Leave the Parade Ring Early

Permission to leave the Parade Ring early is essential for many reasons including safety and operational reasons, requiring that such horse movements are monitored and controlled. For example, gate/road closures, track access, machinery on track, attendees viewing opportunities etc.

Permission will only be granted at the discretion of the Raceday Stewards.

Any horse leaving the Parade Ring early without prior consent through this formal process will be subject to a review by the Raceday Stewards.
